

# Preliminary Announcement and Call for Abstracts

## 2026 International Symposium on Safety Science and Technology

### (2026 ISSST)

2026 International Symposium on Safety Science and Technology (2026 ISSST) is to be held in Hangzhou, China, October 23–26, 2026. It is a continuation of the previous eleven international symposia held in Beijing (1998 and 2000), Tai'an (2002), Shanghai (2004), Changsha (2006), Beijing (2008), Hangzhou (2010), Nanjing (2012), Beijing (2014), Kunming (2016) and Shanghai (2018) respectively. The aim of the Symposium is still to provide an up-to-date discussion in the field of safety science and technology.

The conference language for the symposium will be English, which will be used for all presentations and printed materials. The registration fee is 400 USD (2800 CNY) for early registration (before August 20, 2026) and 500 USD for late registration (after August 20, 2026). The fee for student is 250 USD (1750 CNY) for early registration (before August 20, 2026) and 300 USD (2100 CNY) for late registration (after August 20, 2026). This includes one copy of the Proceedings of the Symposium, meals, banquet, and coffee breaks. The fee for each accompanying visitor is 200 USD (1400 CNY). This includes meals and banquet. Additional fees are charged for special functions.

### Subjects and Topics

Main topics of discussions will include (but not limited to):

- AI for safety research
- Theories and methods of safety science
- Reliability analysis, resilient theory, and inherent safety
- Prevention of fire, explosion, dust and ventilation
- Safety management, education and training
- Public safety
- Occupational Safety and Health

### Submission of Abstracts

All those interested in presenting a contribution are invited to submit a proposed Title, Author(s) Name, Affiliation (with mailing address, email address) and a 500–1000 words abstract that may include purpose, results, significance and comparison with the past. The deadline for receipt of the abstract is June 30, 2026.

### Website

Please visit the conference's website <http://www.issst.com.cn> for continuous information.

### Secretariat

For more detailed information you may use mail, fax or e-mail to contact:

Dr. LI Shengcai, Ms. QIAN Jinxin, Ms. ZAN Ruoyi, Mr. ZHANG Qi
